

Interest Form

2020-2021 School Year

Thank you for your interest in Pathways School and Evaluation Center. We are a small non-profit, state approved, K-12 private school and evaluation center. Our mission is to educate children with learning differences in which they can achieve their greatest potential. We look forward to hearing from you and if you have any other questions, please fill out our "contact us" form online.

Admission Steps:

- Complete and submit Pathways Interest Form along with your child's most recent IEP, MET and/or other evaluation(s). All documents must be submitted at the same time for adequate review.
- The director will review these documents and proceed with scheduling a meeting with parents if Pathways School can meet the student's needs (Please allow 2 weeks for the director to review documents)
- Parents to meet with the Director of Pathways School and Evaluation Center
- Based on availability your child may be invited for a full day visit.
- Parents/Guardians will be notified of enrollment status within 1 week of the student's full-day visit
- A link will be sent to parents if Pathways is able to offer enrollment after meeting with the Director. The electronic paperwork must be completed within 5 calendars.
- Acceptance of the enrollment offer includes the parent/guardian signing a student contract and providing a \$500 deposit to secure the enrollment (amount will be deducted from annual tuition)
